Mandatory Language for Monitoring and Reporting Violation Failure to Submit a Disinfectant Level Quarterly Operating Report (DLQOR)

CITY OF TRINITY PWS 2280002 has violated the monitoring and reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Title 30, Texas Administrative Code (30 TAC), Section 290, Subchapter F. Public water systems are required to properly disinfect water before distribution, maintain acceptable disinfection residuals within the distribution system, monitor the disinfectant residual at various locations throughout the distribution system, and report the results of that monitoring to the TCEQ on a quarterly basis.

Results of regular monitoring are an indicator of whether or not your drinking water is safe from microbial contamination. Type of violation: **DLQOR** This violation(s) occurred in the monitoring period(s) **1Q2024**

We are taking the following actions to address this issue: We provided our DLQOR in a timely manner to TCEQ and have returned to compliance as of 09/17/2024. **<corrective actions>**

Please share this information with all people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
